

Thank you for considering the historic **Studley Park Boathouse** as the venue for your function.

We pride ourselves on our personal attentive service and fine cuisine and ensure that your special occasion is one that you and your guests will remember.

The Studley Park Boathouse is set amidst natural bushland and offers two different function venues. Both venues provide sweeping views of the Yarra River and its surrounds and are suitable for private dinner parties, wedding receptions, cocktail parties and corporate functions.

Studley Park Boathouse Restaurant

The Restaurant is a beautifully restored Victorian/Edwardian residence at Studley Park Boathouse. It offers a glassed in verandah area set amongst natural bushland and old English elm trees. It operates as an à la carte restaurant which can also be booked for private functions. Our main dining room seats a maximum of 76 guests with minimum requirements for exclusive use.

Studley Park Boathouse Café

The Café offers a more informal environment with an outdoor balcony lined with market umbrellas and indoor seating area. There is a maximum of 80 guests for a sit down function or 130 guests for a cocktail style function. It operates as a licensed Café during the day and can be transformed into a stylish function venue in the evening.

Studley Park Boathouse inspections are welcome however we do require you to make an appointment.

We would like to offer our professional and personal assistance in the preparation of your function. We understand that everyone has different requirements and we are happy to meet your special requests wherever possible.
