THE BOATHOUSE

Unique, Timeless, Picturesque

Homely, Warm, Relaxing

Adaptable, Flexible, Inspiring

These are just a few words used to describe the old world charm captured inside the Studley Park Boathouse.

The winding river mesmerises your senses while the hundred year old Elm trees act as a canopy while you relax with a drink by the river.

Offering a variety of rooms with varying capacities, each room captures a uniquely different perspective. Both venues boast picturesque natural river and bushland views stretching as far as the eye can see.

Adaptable as a meeting space, company product launch area or conference venue with break out rooms.

“a fantastic backdrop to really show off in!”

PRODUCT LAUNCHES

When it's time to reinforce a message or showcase a product it needs to be done with style.

Working from a blank canvas we offer a variety of venue setups and configure the room to best capture your company and products.

Working in conjunction with you we will ensure your invited target market enter into a journey of education.

With access to specialist service providers making your event come to life will be a breeze.

NETWORKING

Do you have the drive to engage new contacts and form new bonds with clients and require the surrounds with the right ambience to make it happen?

Then allow us to steer your campaign.

Whether it's a group of colleagues wanting to exchange ideas or an invitation extended to potential clients. We can offer a variety of menus ranging from a casual cocktail style menu to a more formal dinner sitting.

Motivational speakers can be a great way of increasing guest attendance and our room configuration is easily adaptable for all Audio Visual needs.

“the privacy to really think outside the box”

TEAM BUILDING

There are many ways to bring your team together and strengthen their bond while exploring products and reinforcing company policies.

With a myriad of activities at our finger tips we can aid your event by offering the following group activities.

BOATING - Race, row or paddle along the river in our fleet of recreational water crafts. (No boat license required)

GOLF - Yarra Bend Park Golf Course is an 18 hole golf course with an upcoming driving range and is only a five minute walk from the boathouse.

WALKING - With endless walking tracks surrounding the Boathouse you can arrange an afternoon of discovery.

ORIENTEERING - For a more energetic work out why not try your hand at navigating your way around the Yarra Bend Park.

“an eye opening experience for any food lover”

COOKING MASTER CLASSES

Have you ever wanted to feel the heat in the kitchen? Then why not arrange a group of friends, colleagues or clients to join our team of chefs in a culinary adventure.

Allow our chefs to guide and take you through all the stages of a professional kitchen. Start by writing a menu featuring some of your favourites, then sift, fold, stir and boil some of Melbourne's freshest ingredients into restaurant quality meals.

Invite a select group of people to our private dining room and host an evening of enjoyment with the meals you have prepared. Allow our sommelier to choose some quality Victorian wines to complement your food.
